

We want your photos in the Yearbook!

If you are uploading from a COMPUTER or iPad, follow the steps below.

Go to: prairieelementary.picaboo.com (don't put www in front of it)

The screen will look like this:

There is a camera icon near the bottom of the screen, below the blue rectangle.

It says: Have photos you think the yearbook can use? Share them here with the yearbook adviser. **Select the blue link that says [Share them here](#)**

Next: Type in your name, email and the Section to upload your photos:

Please choose: CANDIDS and then hit browse

A window will open asking you to choose an image, or multiple images at one time from your computer. Choose an image or multiple images and then hit choose.

You need to name the file: ex. GirlsOntheRun, 3rdgradefieldtrip, RitzmanTeaParty, etc. If you have multiple photos from an event, upload them with the same name.

They MUST have a name attached so yearbook knows where to place them.

See photos below for step by step instructions.

If you have any questions, please contact Vanessa Reese at reesevanessa@me.com
