

Here is a resource if you are interested in learning a foreign language and culture

The Chinese School of Greater Kansas City

Fall semester classes start on August 18, 2019

Dear Prairie parents and students,

I would like to introduce you to the Chinese School of Greater Kansas City. Our focus is learning to speak and understand Mandarin Chinese as well as learning about the Chinese culture.

My husband and I have two children in Prairie Elementary, Carson Graves (6th grade) and Charlotte Graves (4rd grade). Carson and Charlotte have been going to the Chinese school for 6 years. They learn about 100 characters each year. Carson can understand, read, write, and speak simple sentences.

Many students also enjoy extracurricular activities after class. Next year we will have Chinese YoYo (limited space due to popularity, on first come first serve basis), Chinese Folk Dance, Taekwondo, and GO board game.

If you have visited the Nelson Atkins Museum for their Chinese New Year event, our YoYo team's presentation was a hit!

If you have any questions, please don't hesitate to contact me.
