## WELCOME TO THE NEW 2018-2019 PANTHER PAW

Welcome to an all new edition of the Panther Paw.

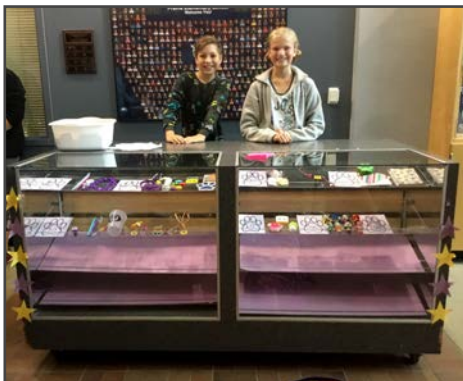

In an effort to be green and use less paper, we only publish a digital version. That means we can use color photographs and drawings. We will also be featuring photos and stories by our team of 6th grade committee members.

You can add your drawings and puzzles and stories by coming to our contributors meeting after school. The next meeting will be Dec. 7 at 3:15 in the art room. We hope to see you there.

If you have story ideas please pass them on to one of the committee members below.

## Panther Paw store open for business

Prairie students were greeted by a new addition to the school lobby this year. The glass display case serves as the Panther Paw store and items in the case can be purchased using Panther Paws, a currency students receive for good behavior. "It is important for students to be acknowledged for their great behavior," said Kristen Jones, Prairie Elementary School Principal.

The store is operated by a sixth grade committee and is open every Friday before school starts according to Ashley Parn, 5th grade teacher. Mrs. Parn explained that students should bring the Panther Paws home the night before so they can shop first thing Friday morning.
